

November 27, 2018

Dear Friend,

For nearly two decades, Human First has been providing essential services to individuals with developmental disabilities across New York City and Long Island. Through high quality, person-centered care, we strive to help individuals achieve their goals and live productive, fulfilling lives in the community. Human First impacts the lives of more than 1,400 families annually.

As we approach this giving season, we hope that you keep our individuals close to your hearts by supporting our *2018 Stocking Campaign*, which would enable us to purchase “gifts” benefitting the participants in our Day Habilitation and Residential programs.

- *Picture This!* - Your gift of **\$50** can provide arts and crafts supplies for one day habilitation or residential program, fostering individuals’ creativity and self-expression.
- *Fit’s A Wonderful Life* – Your contribution of **\$150** can buy a variety of athletic equipment to promote physical fitness and healthy lifestyles at Human First’s five-day habilitation programs.
- *Spotlight Stocking* – A contribution of **\$300** helps our individuals shine, supporting enrichment activities for individuals while boosting their self-confidence through the performing arts.
- *Innovation Stocking* – A donation of **\$550** facilitates the purchase of vital assistive and supportive technologies used to provide individuals with important tools to thrive.
- *The Keys to My Heart* – A gift of **\$750** will help Human First acquire state-of-the-art computers, enabling Day Hab participants to hone their typing, internet and graphic design skills.
- *Home is Where the Heart Is* – A **\$1,000** donation will help foster multiple home improvement projects to enhance our residences across New York City and Long Island.

By making a tax-deductible donation, you'll be instrumental in helping us to provide for our Human First family this holiday season, while spreading good cheer to the individuals we serve. Thank you for your generosity and support, and helping us to meet our mission of exemplary care

On behalf of our Board of Directors, staff, and the individuals and families we serve, we extend our best wishes for a wonderful holiday season.

Sincerely,

Cheryelle Cruickshank  
Chief Executive Officer
